Road Work This Summer

Rutland Road Open Rutland Road has been reopened and is now available as a good connection to some great riding north of the Route 50/Davidsonville park and ride.

Route 2 Maintenance – Route 2 will soon be undergoing maintenance from Harwood road to the circle at routes 2 and 408 at Lothian. This will affect the Saturday morning rides – an alternate route to Galesville is via St. George Barber, Governor's Bridge, Riva, Beard's Point, Brick Church, South River Clubhouse, and Muddy Creek to Galesville. Alternatively, take Patuxent River and Sands through the Lothian Circle to 2 and then Nutwell or Route 258 to the Deale area.

A Big ABC Thank You to Robert Rager

We are indebted to Bob Rager for his allowing us to use his home as a starting point for the Bethany 100. We ended up filling his driveway and even parking a few cars and SUVs on his lawn. Since our original starting location was unavailable, he really saved the day for us!

Ride Report – Bethany 100

Saturday dawned clear, sunny, not much wind, and – **HOT!** Seventeen hardy riders and assorted support personnel gathered near Centreville Maryland and began the trek to Bethany Beach.

The Start....

On the Road...

And to Finish...

Finally, we reached the goal – a great pizza restaurant! All riders are to be congratulated, especially those that lasted the full 101.1 mile course! And a big thank you to the great people that acted as sags, and especially to Harold Ashby, who laid out the original course several years ago!

Rides this Summer (2010)

[Aug 5 - 8 Ride Across Pennsylvania](#)
